Deployed Site: <https://juan-google-booksearch.herokuapp.com/search>

EXPERIENCE

7/2014 – Present

Instructional Program Writer: *Primal Platoon, Inc.*, Marlborough, MA

Self-employed. Responsible for all facets of business administration, business development and development & delivery of corporate training services. Clients include military, nonprofit, and private sector organizations. Designed/maintained company website on Wordpress & Wix content management systems.

6/2017 – 6/2018

Senior Admissions Recruiter | *Northeastern University*, Boston, MA

Strategic advisor to marketing & recruitment executives for undergraduate admissions, and veteran engagement/outreach. Assisted marketing managers with messaging strategies to constantly meet lead generation and recruitment goals in fast-paced, data-driven environment. Developed, implemented, and executed the FY2018 recruitment strategy for assigned portfolio.

7/2010 – 7/2017

Recruiting Program Manager: *Massachusetts National Guard*, Lexington, MA

Advised human resources executives on strategies to continuously attract, assess and acquire top talent. Collaborated with recruiting teams to support current and future staffing needs. Crafted & delivered strategic messages based on management needs and ad hoc requirements.
