JUAN M. RIVERA
Junior Front End Web Developer w/Full Stack Capabilities

OBJECTIVE
A role as a Junior Front-End Web Developer where I am challenged technically and creatively in a client-driven culture.

WORK EXPERIENCE
Full Stack Web Development, Student | *Coding Bootcamp at Harvard Extension School*
Oct 2019 - Mar 2020
- Strong academic performer with sought-out skills in Front End development
- Core skills include UX/UI design and a strong understanding of MVC concepts
- Full stack projects include several MERN applications that have earned A's
- Please ask me about these!

Corporate Trainer, Instructional Program Writer/Web Designer | *Primal Platoon, Inc.*
July 2014-Mar 2020
- Responsible for all facets of business administration, business development marketing, and development & delivery of corporate training services
- Clients include military, nonprofit, and private sector organizations
- Designed/maintained company website on *Wordpress* & *Wix* content management systems

Senior Admissions Recruiter | *Northeastern University*
Jun 2017 – Jun 2018
- Strategic advisor to marketing & recruitment executives for undergraduate admissions, and veteran engagement/outreach
- Developed, implemented, and executed the FY2018 recruitment strategy for assigned portfolio
- Assisted marketing managers with messaging strategies to constantly achieve lead generation and recruitment goals in fast-paced, data-driven environment
- Identified and cultivated key community and corporate partnerships and recruitment pipelines

Talent Acquisition Program Manager | *Massachusetts National Guard*
Jul 2010 – Jul 2017
- Advised human resources executives on sustained strategies to attract, assess and acquire top talent
- Collaborated with recruiting teams to support current and future staffing needs
- Crafted & delivered strategic messages (written and oral) based on management and organizational goals
- Utilized applicant tracking systems to manage candidate and client relationships.

EDUCATION
Full Stack Web Development, Certificate | Coding Bootcamp at Harvard Extension School
- Rigorous coursework required a strict schedule of coding for 30+ hours per week
- Handpicked by instructional staff to represent student body at Harvard Extension's *Demo Day* (exhibition and networking event for Alumni and Corporate partners)

Master of Education, Nutrition Education | *Framingham State University*
- Inducted into *Phi Kappa Phi* Honor Society May 5th, 2015
- Overall GPA: 3.97
